Le lapin et le renard

Il était une fois un renard qui avait faim.

Le renard saute sur le lapin mais celui-ci réussit à s'échapper.

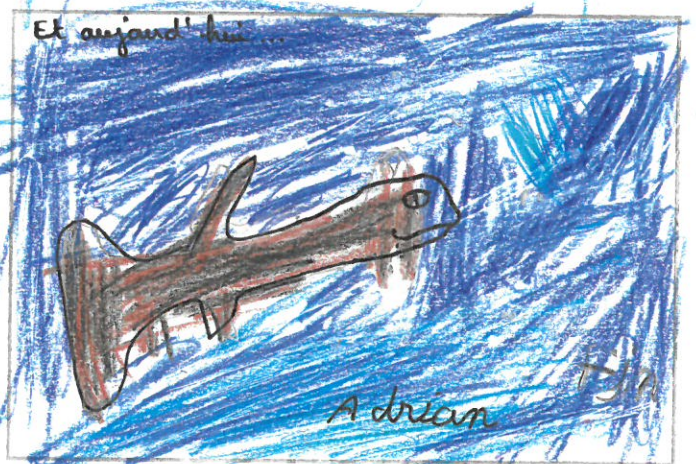

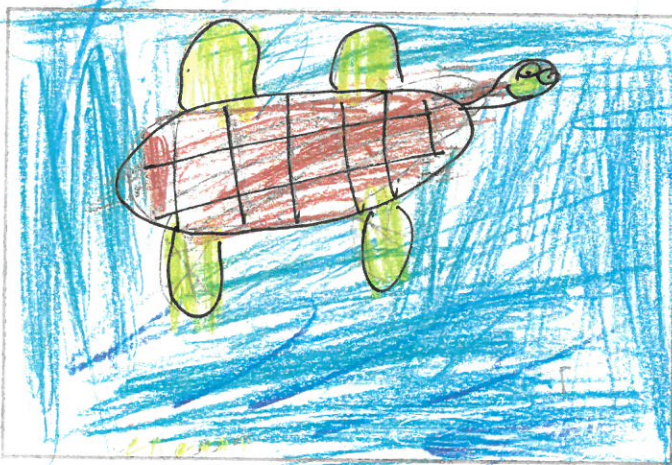

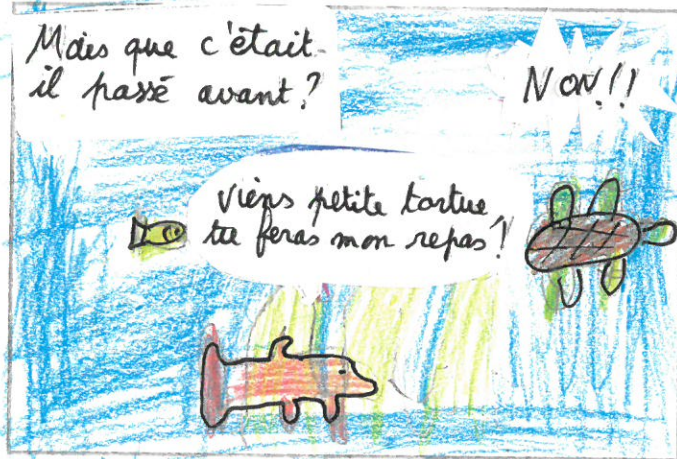

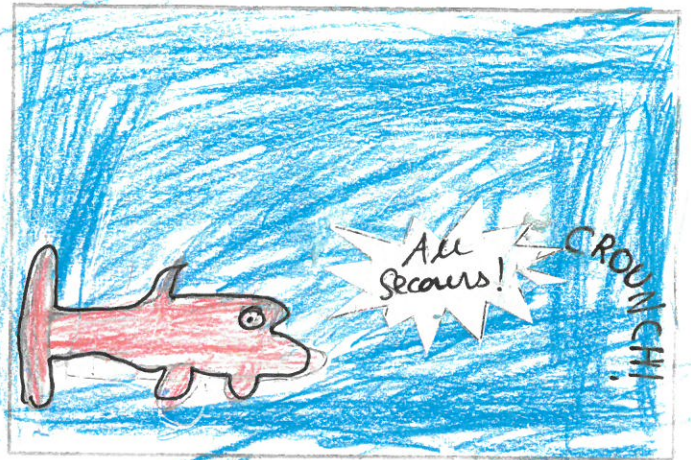

Le lapin retourne tranquillement manger de l'herbe.

L'Océan

Dans l'océan, une méduse cherche à manger.

Mmm le beau plancton!

Oups, une tortue!

A moi la grosse méduse!

Elle me meurt pas mais je vais la dévorer!

Ouh, qui elle était bonne cette méduse!

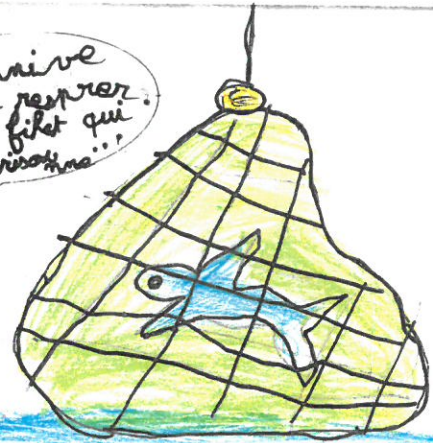

Au secours!

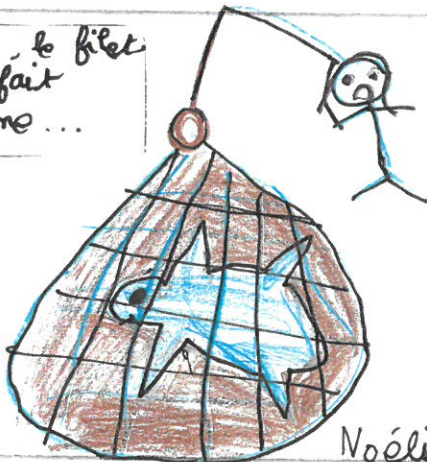

Sharp!

Je n'arrive plus à respirer avec ce filet qui m'emprisonne...

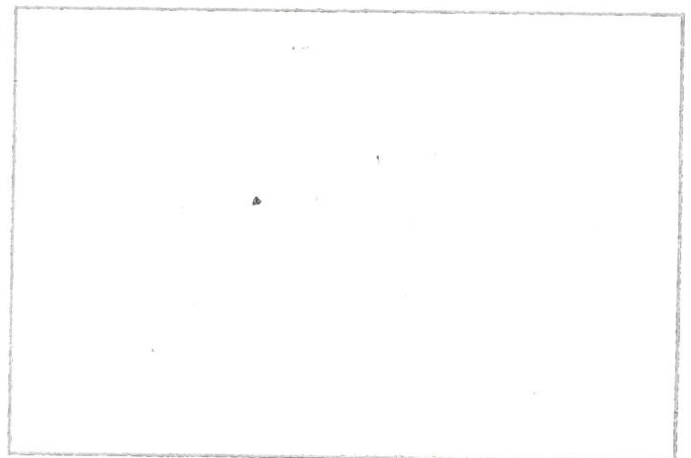

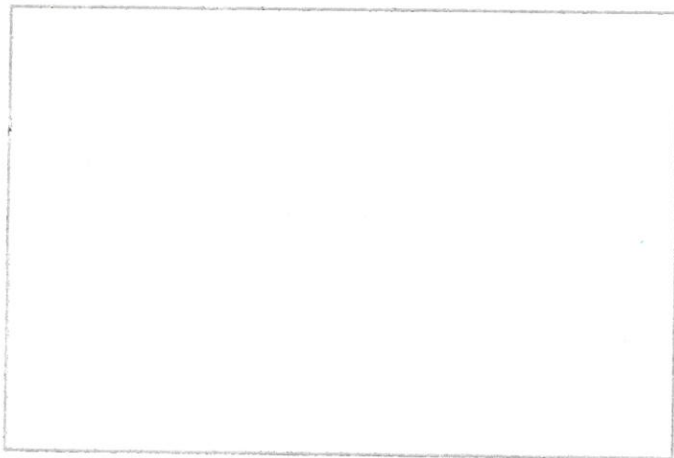

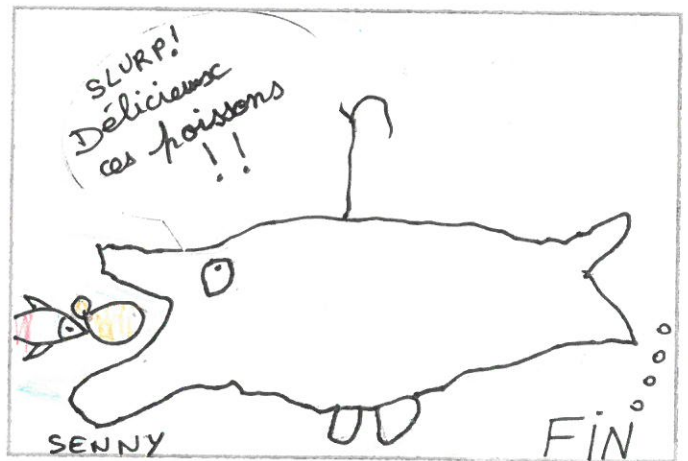

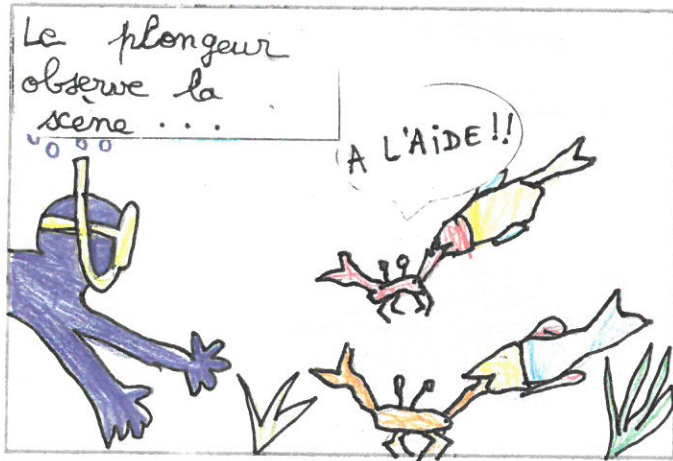

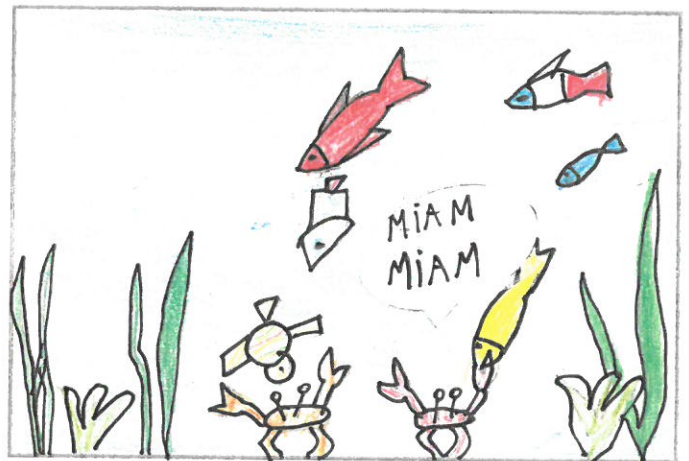

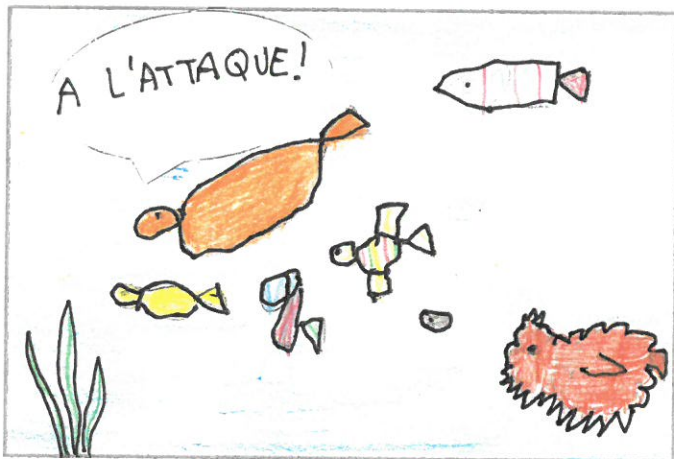

Trop tard, le filet a encore fait une victime...

La contre-bande des défenses

Il était une fois dans la savane un baobab qui passait tranquillement.

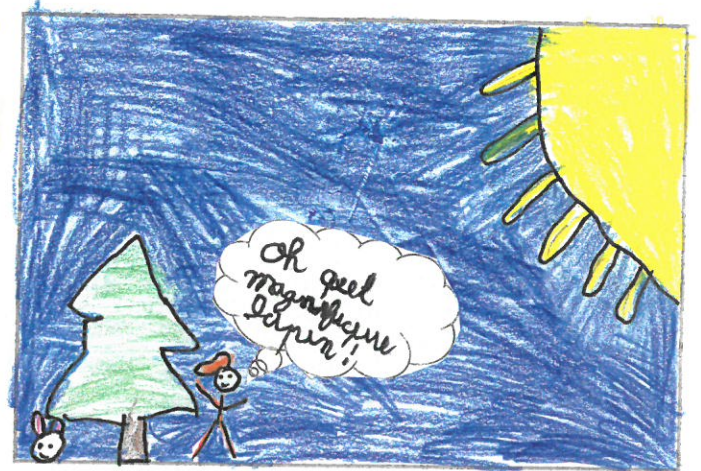

Un éléphant arrache une branche du baobab et mange les feuilles.

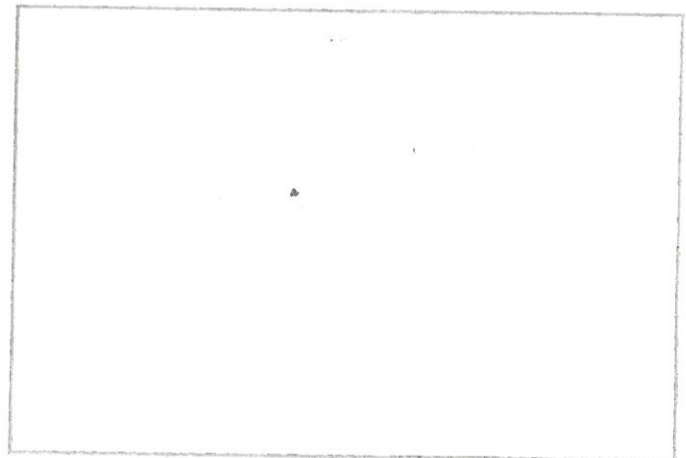

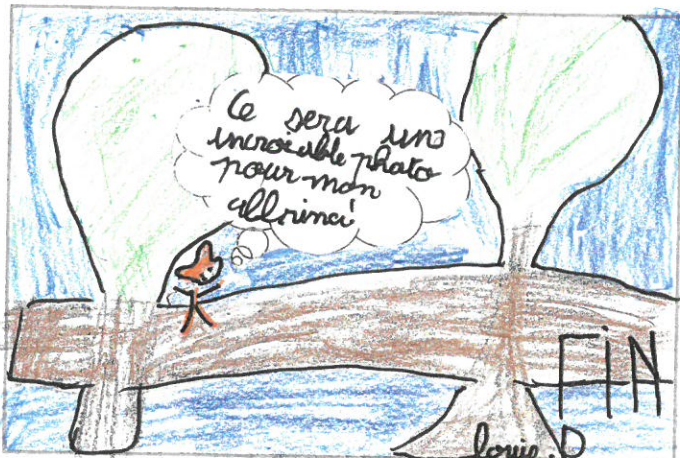

Le lynx gourmand!

Il était une fois en Taïga Sibérienne:

Mais surgit de derrière un arbre un lynx qui part en chasse
